Informed Consent for Genetic Testing (required for patients drawn in New York state)

Providers are required to obtain informed consent from patients for genetic testing for all genetic samples originating in New York. An informed consent form may be found at <http://www.machaondiagnosics.com>, with a description of the test, purpose, and limitations. In lieu of submitting a copy of the signed informed consent, healthcare providers may sign the below statement attesting that informed consent has been obtained.

Verification of Informed Consent: I am a healthcare provider for the patient named on this requisition. I have obtained the required informed consent from the patient or the patient's legal guardian for each genetic test ordered on this requisition and I authorize testing of the provided specimen.

Signature of Provider: _____ Date: _____

Note: testing may be delayed if a consent form is not received or the provider signature is present above.

ADDITIONAL INFORMATION

Machaon Diagnostics is a specialized coagulation, platelet, complement and genetics laboratory that provides clinical reference laboratory services. Most evaluations can be completed within 24 hours, 7 days a week. Machaon Diagnostics is a multi-state-licensed, CLIA-accredited, CAP-accredited, clinical laboratory approved to provide high-complexity testing services. These tests are not covered or reimbursed by Medicare or Medicaid. All patients are considered OUT-OF-NETWORK and will be billed for services not covered by their insurance provider. Medicare patients must sign an ABN, downloadable from the Machaon Diagnostics website. Patient insurance billing services are provided in accordance with the Machaon Insurance Billing Policy. HMO or medical group covered patients may need a prior authorization if they seek full reimbursement. For more information please visit www.MachaonDiagnostics.com or call (800) 566-3462. **Note: These services are FREE for outpatients that qualify for our Sponsored Testing Program; please call to inquire.**
